RAILROAD INTERESTS.

THE C. H. AND D. TRANSACTION COMPANY.

FIRMED.

HIS FELLOW-BONDHOLDERS SURPRISED BY BARON ERLANGER'S ACTION—DISASSOCIATE WITH THE DEAL.

Baron Erlanger, who for the last twelve has been a guest at the Breevoort House, fully confirms the transaction in Cincinnati, Hamilton and Dayton Railroad Company securities, as heretofore published in the Tribune.

The Erlanger syndicate of foreign capitalists have been prominent as bidders on the issue of bonds by the councils of the Cherokee Nation, based on the lands permanently conceded by the United States Government as belonging to that people. It is admitted on behalf of Baron Erlanger, however, that the act which has recently passed Congress enabling the Sub-Treasurer at New-York to accept and receipt for the deposit of purchase money for the bonds issued by the Cherokee Nation, provides for the payment of premiums. Eighty thousand paying Members Two Hundred and Sixty thousand dollars Extra-Paid to Widows and Orphans.

Forty Million Dollars already saved living policy holders by reduction of premiums. Eighty thousand paying Members Two Hundred and Sixty thousand dollars Extra-Paid to Widows and Orphans.

In force. Three Million Five Hundred Thousand Cash Surplus—Reserve—Emergency Fund. More than Sixty Million Dollars new business for the year 1893.

These are a few practical results already recorded to the credit of the

MUTUAL RESERVE FUND LIFE ASSOCIATION.

next month. The party in General Manager Grant's car made for Chippewa, On the 1st Mr. Van Horne did not commit himself to the purpose of a visit to the Falls, except to look over the electric road and view the scenery. The visit of the officials to Chippewa and the inspection mentioned will be made as soon as possible. The Delegates with him at his office in the Porters Building. Mr. Harper proposed that the board should resolve to accept the offer of the Canadian Pacific majority rule. The committee seemed to favor this proposition, and intimated that it would probably be adopted by the board this morning.

SUICIDE OF A WEALTHY LIQUOR MAN.

Philadelphia, March 30.—Harry Myers, a retired wholesale liquor dealer and one of the best-known men in his line of business in the city, committed suicide at his home yesterday by shooting himself through the head. The only cause that can be assigned for the act is ill-health. His estate is worth \$15,000.

TRUNK LINE AGREEMENT WELL TESTED, WORKING OF THE NEW RATE AGREEMENT—CHANGES IN FREIGHT EMBARGO NOTICES.

The Trunk Line Executive Committee yesterday considered the west-bound freight rate situation and approved the successful working of the new contract for the equitable distribution of traffic. The new agreement of the trunk lines provides for a variation of "differential rates" allowed to roads that are unable to carry the volume of business allotted to them by Commissioner James F. Goldfarb. On January 1 the Erie was authorized by the Commissioner to reduce its west-bound rates from the basis of 70 cents per 100 pounds from New-York to Chicago on first-class freight to a basis of 65 cents. The trunk lines will be 10 cents off the original rates. The Erie has been considering the fact that it is understood that there is considerable dissatisfaction with the "deals" made by Baron Erlanger with the railroads. The railroads system is transferred to the Cincinnati road. The action of Baron Erlanger was a surprise to his bondholders. While the details of the transaction have not been fully understood, it is understood that the Baron received cash or its equivalent from the purchasers in the interest of the Cincinnati, Hamilton and Dayton. Some of the bondholders are inclined to believe that a "pool" of the old and new bondholders will remove all doubts on the subject, and will have two.

The meeting of the bondholders of the Cincinnati Extension of the East Tennessee, Virginia and Georgia, called for next Monday at the office of Poor & Greenough, at Wall and Nassau streets, may prove interesting and instructive. Baron Erlanger is disposed to discuss the subject. It is apparent that the syndicate dominated the valley of the river, and while the bondholders of the rival roads are free to vote, nothing can be done for legislative action unless he himself that are available to the other bondholders under the reorganization scheme proposed in consequence of the railroad transfer.

OPPOSITION TO LEHIGH VALLEY OFFICERS.

Philadelphia, March 30.—The Financial News reporting Agency to-day states that a movement is on foot among certain stockholders of the Lehigh Valley Railroad to defeat the present management at the next annual election and that their candidate for president will be a strong opponent of the existing officers. This circular is a protest not to arrest the movement as serious. It is reported that those back of the project will issue a circular addressed to the stockholders asking for proxies to be voted at the next annual meeting and setting forth their reasons for opposing the present management.
